Sub: M.Phil Programme in Natural Resources Management at IIFM – Request for nomination.

Dear Shri Sharma,

Indian Institute of Forest Management, Bhopal (IIFM) is a leading sectoral management institute in Asia with the mandate to provide leadership in professional forestry management aimed at environmental conservation and sustainable development of ecosystems. The Institute offers three programmes namely Post Graduate Diploma in Forest Management (PGDFM), M.Phil. in Natural Resource Management and Fellow Programme in Management (doctoral level) to provide high quality management education for the Natural Resource Management and allied sectors.

One year M.Phil. in Natural Resource Management Programme (recognized by the Saurashtra University, Rajkot for award of degree) has been oriented with a special focus on Climate Change. The total intake is 20, out of which 10 seats are reserved for In-service officers from the Government/Public sector and representatives from NGOs. A summary of the programme along with the application form are enclosed for your perusal and further circulation among officers of your organizations. You may consider nominating officers from your organization for the said course as it will help in their capacity building to tackle the issue of integrated natural resource management in a more professional way.

I would appreciate, if you could circulate the same among the officers of your organization and for any further queries, the candidates can visit our website: www.iifm.ac.in/mphil or can contact the Chairperson M.Phil. (Admission) of the Institute.

With regards,

Yours sincerely

(R. B. Lal)
